HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging
Conditions, Mrs. Bullock Gave
Up in Despair. Husband
Came to Rescue.

Catron, Ky.—In an interesting letter
from this place, Mrs. Bettie Bullock
writes as follows: "I suffered for four
years, with womanly troubles, and during
this time, I could only sit up for a little
while, and could not walk anywhere at
all. At times, I would have severe pains
in my left side.

The doctor was called in, and his treat-
ment, relieved me for a while, but I was
soon confined to my bed again. After
that, nothing seemed to do me any good.

I had gotten so weak I could not stand,
and I gave up in despair.

At last, my husband got me a bottle of
Cardui, the woman's tonic, and I com-
menced taking it. From the very first
dose, I could tell it was helping me. I
can now walk two miles without its
tiring me, and am doing all my work."

If you are all run down from womanly
troubles, don't give up in despair. Try
Cardui, the woman's tonic. It has helped
more than a million women, in its 50
years of continuous success, and should
surely help you, too. Your druggist has
sold Cardui for years. He knows what
it will do. Ask him. He will recom-
mend it. Begin taking Cardui today.
